Built By Us (BBU) | Volunteer as a member of the Advisory Board

About Built By Us (BBU) | a social enterprise

Built By Us is an award-winning social enterprise on a mission to grow diversity and inclusion in the built environment sector. Our vision is a world built for all, by all

Our work focuses on breaking down barriers to opportunities for industry students, practitioners and founders who are underrepresented in the sector.

We do this by creating the link between individuals and organisations to proactively address inclusion through learning, mentoring, strategic support, and talent matching.

We are inviting individuals who are interested in volunteering their time over the next 12 months to apply and we are seeking the following skills and experience:

- HR
- Equity, Diversity and Inclusion
- Teaching / Training
- Employment Law
- Policy development

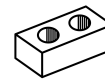

Purpose/role of the advisory board is to:

- To provide non-binding strategic advice
- Act as a sounding board BBU's senior team
- To support organisational activities in an advisory capacity
- To help ensure the activities of BBU aligns with the vision, mission and values
- Be an ambassador for Built By Us and our mission
